

Type: ANSI 53-2  
Ref. No.: 1006236

D/No.: HN-53-2

Marking:  
Trade Mark  
ANSI53-2  
Year of MFR

Technical Data:

- |   |          |
|---|----------|
| 1. Transverse Strength                                    | 13kN     |
| 2. Low Frequency flashover voltage                        |          |
| 1) Dry condition  | 25kV     |
| 2) Wet condition  |          |
| Vertical  | 12kV     |
| Horizontal  | 15kV     |
| 3. The applicable standards is ANSI C29.1 & ANSI C29.3    |          |
| 4. The glaze of Insulator can be in Gray / Brown / White. |          |
| 5. Unit weight (approx.):                                 | 0.50kgs. |

**UNIT: MM**

**Manufacturer:**  
PRODUCTOS ALPHA

**Spool Porcelain Insulator**  
**(ANSI 53-2)**
